

ARTICLES OF SURRENDER COMPLETED

WASHINGTON, July 16.—The following dispatch was received at the war department today:

Camp Near Santiago, July 16.—The surrender has been definitely settled. The Spanish arms will be turned over tomorrow morning and the troops will be marched out as prisoners of war. The Spanish colors are to be hauled down at 9 a. m. and the American flag flaunt victory in the face of tyranny. (Signed) SHAFER.

POWERS ABOUT TO INTERVENE

Russia, Germany, France and Austria Intimate that Peace Must Be Made Soon.

MADRID, July 18.—Russia, France, Germany and Austria have forcibly intimated to the Spanish queen and her ministers that Spain must secure an early peace to save the country from literal ruin. The government is pursuing its high-handed policy with Cortes, and the people deem it necessary to secure peace quickly and prevent uprising.

RELIEF EXPEDITION CALLED FOR

Hundreds of Miners Will Starve on the Copper River if Steps Are Not Taken to Aid Them.

SEATTLE, July 18.—Captain Ambercrombia, U. S. A., recently returned from Valdes, Copper river, has filed an official report saying that hundreds of miners are stranded on Copper river and will starve or freeze to death the coming winter if the government fails to send a relief expedition. The men have lost their outfits trying to navigate Copper river, or in the terrible avalanches at Valdes glacier.

The Discovery of the Day.
Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ariz., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for consumption, coughs and colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Colds and Coughs is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Trial bottles free at Blakeley & Houghton's.

McCoy Gets Off Easily.
PORTLAND, July 18.—George W. McCoy, the Klondike transportation schemes promoter, recently found guilty by a jury in the United States district court upon an indictment charging him with using the United States mails for fraudulent purposes, was this morning fined \$100 by Judge Bellingher.

As this is the minimum penalty in a crime of this kind, the friends of McCoy consider him lucky. McCoy skirried out to raise the amount of his fine upon receiving sentence.

Robbed the Grave.
A startling incident of which Mr. John Oliver of Philadelphia, was the subject is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying 'Electric Bitters,' and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life and robbed the grave of another victim." No one should fail to try them.

Coast Lights Extinguished.
ALGIERS, July 18.—The Spanish authorities in the Balearic islands have extinguished the coast lights there until further orders.
